Meeting Minutes:

Raiders Rack –

Kristin – modifying practices at store, including dialing back the store hours, she will continue to be buyer for 2018/19 season. Develop info@ email for special orders. Used to do a blowout sale end of year, but KM is reluctant to give it away for old stuff?

Membership –

Angela – we need to develop outbound reminder to old membership – for renewals. What do you get from membership and what is message? What is best way to socialize this.

Shack –

When will first tournament be. Jane and Erin cleaning up, developing grill operating and cleaning procedures, getting fire extinguishers, etc. Let Karyn know by Wednesday in advance of Friday, so she can get it into Sunday blast. Also, can post to Boosters FB page. Jeff likes to Tweet – let him know. Obviously

Funding –

Gave \$3K to fund spring sports teams.

Baseball fence - \$21-\$29K for option A and B sourced by AD, eager to get a fence in before the season commences in 2018. Asked baseball to resubmit a new proposal for left field section.

Communications –

Jeff asked us to promote the HOF event. We'll need to push this again.

Need to promote women nominees for HOF.

Please send photos to Karyn – if you're out taking pics.

Table tents @ the banquets.

Needham Bank – maybe could print the card stock throw away table tents.

Phase 2 –

May 1 meeting with RSC is on the books and key to taking progress to next level.

End of year post all meeting notes

Need a send off for Kristin.
